Item 1.01 Entry into a Material Definitive Agreement.

On December 19, 2014, IDEXX Laboratories, Inc. (the “Company”) entered into a Multicurrency Note Purchase and Private Shelf Agreement among the Company, Metropolitan Life Insurance Company (“MetLife”), and each of the accredited institutional purchasers named therein (the “Agreement”) pursuant to which the Company agreed to issue and sell \$75,000,000 of its 3.25% Series A Senior Notes having a seven-year term (the “2022 Notes”) at a purchase price of 100% of the principal amount of the 2022 Notes, and \$75,000,000 of its 3.72% Series B Senior Notes having a twelve-year term (the “2027 Notes”) at a purchase price of 100% of the principal amount of the 2027 Notes. The issuance, sale and purchase of the 2022 Notes and 2027 Notes are subject to the satisfaction of standard closing conditions for private placement term note transactions, and the Company expects that the issuance, sale and purchase of the 2022 Notes and 2027 Notes will close in February 2015. The Company intends to use the net proceeds from the issuance and sale of the 2022 Notes and 2027 Notes pursuant to the Agreement for general corporate purposes, including repaying amounts outstanding under its revolving credit facility.

The Agreement also provides for an uncommitted shelf facility by which the Company may request that MetLife purchase, over the next three years, up to \$50,000,000 of additional senior promissory notes of the Company at a fixed interest rate and with a maturity date not to exceed fifteen years (the “Shelf Notes” and together with the 2022 Notes and the 2027 Notes, the “Notes”). MetLife is under no obligation to purchase any of the Shelf Notes. The interest rate of any series of Shelf Notes will be determined at the time of purchase. The proceeds of any series of Shelf Notes will be used as specified in the request for purchase with respect to such series, subject to compliance with the requirement in the Agreement that the proceeds of the Notes will be used only for general corporate purposes.

If and when issued, the 2022 Notes will bear interest at a fixed rate of 3.25% and mature seven years after the original issuance date, and the 2027 Notes will bear interest at a fixed rate of 3.72% and mature twelve years after the original issuance date. In addition, the Company may prepay the Notes, if and when issued, in an amount not less than \$1,000,000 in the case of Dollar denominated Notes, £1,000,000 in the case of Sterling denominated Notes and €1,000,000 in the case of Euro denominated Notes (and otherwise in multiples of \$100,000, £100,000 or €100,000, respectively) of such series of Notes then outstanding at 100% of the principal amount so prepaid, plus the applicable make-whole amount (as set forth in the Agreement) upon no more than 60 or less than 10 days’ written notice to the holders of the applicable Notes. In addition, if and when the Notes are issued, in the event of a change in control (as defined in the Agreement) of the Company or upon the disposition of certain assets of the Company the proceeds of which are not reinvested (as set forth in the Agreement), at the option of the holders of the Notes, the Company may be required to prepay all or a portion of the Notes at a price equal to 100% of the principal amount thereof, plus accrued and unpaid interest.

If and when the Notes are issued, the obligations of the Company under the Notes may be accelerated upon the occurrence of an event of default under the Agreement, which includes customary events of default including, without limitation, payment defaults, defaults in the performance of affirmative and negative covenants, the inaccuracy of representations or warranties, bankruptcy and insolvency related defaults, defaults relating to judgments, an ERISA event and the failure to pay specified indebtedness.

The Agreement contains affirmative, negative and financial covenants customary for agreements of this type. The negative covenants include restrictions on liens, indebtedness of subsidiaries of the Company, priority indebtedness, fundamental changes, investments, transactions with affiliates, certain restrictive agreements and violations of laws and regulations. The financial covenant is a consolidated leverage ratio test. If and when the Notes are issued, the obligations of the Company will be unconditionally

guaranteed by each of its subsidiaries that guarantees the obligations of the Company under a material credit facility (but excluding any foreign subsidiary that does not guarantee indebtedness of the Company or any US subsidiaries under a material credit facility).

The foregoing description of the Agreement is qualified in its entirety by reference to the Agreement, which is filed as Exhibit 99.1 hereto and incorporated herein by this reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of the Registrant.

The disclosure under Item 1.01 is incorporated herein by this reference.

1. AUTHORIZATION OF NOTES.

Section 1.1. Authorization of Issue of Series A Notes and Series B Notes. The Company will authorize the issue and sale of (i) \$75,000,000 aggregate principal amount of its 3.25% Series A Senior Notes due February 12, 2022 (the “**Series A Notes**”, such term to include any such notes issued in substitution or exchange therefor or replacement thereof pursuant to Section 13), and (ii) \$75,000,000 aggregate principal amount of its 3.72% Series B Senior Notes due February 12, 2027 (the “**Series B Notes**”, such term to include any such notes issued in substitution or exchange therefor or replacement thereof pursuant to Section 13). The Series A Notes shall be substantially in the form set out in Exhibit 1-A and the Series B Notes shall be substantially in the form set out in Exhibit 1-B. Certain capitalized and other terms used in this Agreement are defined in Schedule B; and references to a “Schedule” or an “Exhibit” are, unless otherwise specified, to a Schedule or an Exhibit attached to this Agreement.

Section 1.2. Authorization of Issue of Shelf Notes. The Company will authorize the issue of its additional senior promissory notes (the “**Shelf Notes**”, such term to include any such notes issued in substitution or exchange therefor or replacement thereof pursuant to Section 13) in the aggregate principal amount of up to \$50,000,000 (or its equivalent in the Accepted Currencies), to be dated the date of issue thereof, to mature, in the case of each Shelf Note so issued, no more than 15 years after the date of original issuance thereof, to have an average life, in the case of each Shelf Note so issued, of no more than 15 years after the date of original issuance thereof, to bear interest on the unpaid balance thereof from the date thereof at the rate per annum, and to have such other particular terms, as shall be set forth, in the case of each Shelf Note so issued, in the Confirmation of Acceptance with respect to such Note delivered pursuant to Section 2.2(e), to be substantially in the form of Exhibit 1-C attached hereto. The terms “**Note**” and “**Notes**” as used herein shall include each Series A Note, each Series B Note and each Shelf Note delivered pursuant to any provision of this Agreement. Notes which have (i) the same final maturity, (ii) the same principal prepayment dates, (iii) the same principal prepayment amounts (as a percentage of the original principal amount of each Note), (iv) the same interest rate, (v) the same interest payment periods, (vi) the same currency specification and (vii) the same date of issuance (which, in the case of a Note issued in substitution, exchange or replacement for another Note, shall be deemed for these purposes the date on which such Note’s ultimate predecessor Note was issued), are herein called a “**Series**” of Notes.

2. SALE AND PURCHASE OF NOTES.

Section 2.1. Sale and Purchase of Series A Notes and Series B Notes. Subject to the terms and conditions of this Agreement, the Company will issue and sell to each Series A Purchaser and each such Series A Purchaser will purchase from the Company, at the Closing provided for in Section 3.1, Series A Notes in the principal amount specified opposite such Series A Purchaser’s name in Schedule A at the purchase price of 100% of the principal amount thereof. Subject to the terms and conditions of this Agreement, the Company will issue and sell to each Series B Purchaser and each such Series B Purchaser will purchase from the Company, at the Closing provided for in Section 3.1, Series B Notes in the principal amount specified opposite such Series B Purchaser’s name in Schedule A at the purchase price of 100% of the principal amount thereof. The Purchasers’ obligations hereunder are several and not joint obligations and no Purchaser shall have any liability to any Person for the performance or non-performance of any obligation by any other Purchaser hereunder.

Section 2.2. Sale and Purchase of Shelf Notes.

(a) **Facility.** MetLife is willing to consider, in its sole discretion and within limits which may be authorized for purchase by MetLife or MetLife Affiliates from time to time, the purchase of Shelf Notes pursuant to this Agreement. The willingness of MetLife to consider such purchase of Shelf Notes is herein called the “**Facility**”. At any time, the aggregate principal amount of Shelf Notes stated in Section 1.2, minus the aggregate principal amount of Shelf Notes purchased and sold pursuant to this Agreement prior to such time, minus the aggregate principal amount of Accepted Notes (as hereinafter defined) which have not yet been purchased and sold hereunder prior to such time, is herein called the “**Available Facility Amount**” at such time. For purposes of the preceding sentence, all aggregate

principal amounts of Notes and Accepted Notes shall be calculated in Dollars; with respect to any Notes denominated, or Accepted Notes to be denominated, in any Accepted Currency other than Dollars, the U.S. Dollar Equivalent of such Notes or Accepted Notes shall be used for such calculation. **NOTWITHSTANDING THE WILLINGNESS OF METLIFE TO CONSIDER PURCHASES OF SHELF NOTES BY METLIFE OR METLIFE AFFILIATES, THIS AGREEMENT IS ENTERED INTO ON THE EXPRESS UNDERSTANDING THAT NEITHER METLIFE NOR ANY METLIFE AFFILIATE SHALL BE OBLIGATED TO MAKE OR ACCEPT OFFERS TO PURCHASE SHELF NOTES, OR TO QUOTE RATES, SPREADS OR OTHER TERMS WITH RESPECT TO SPECIFIC PURCHASES OF SHELF NOTES, AND THE FACILITY SHALL IN NO WAY BE CONSTRUED AS A COMMITMENT BY METLIFE OR ANY METLIFE AFFILIATE.**

(b) **Issuance Period.** Shelf Notes may be issued and sold pursuant to this Agreement until the earlier of (i) the third anniversary of the date of this Agreement (or if such anniversary date is not a Business Day, the Business Day next preceding such anniversary), (ii) the thirtieth day after MetLife shall have given to the Company, or the Company shall have given to MetLife, a written notice stating that it elects to terminate the issuance and sale of Shelf Notes pursuant to this Agreement (or if such thirtieth day is not a Business Day, the Business Day next preceding such thirtieth day), (iii) the last Closing Day after which there is no Available Facility Amount, (iv) the termination of the Facility under Section 12 of this Agreement and (v) the acceleration of any Note under Section 12 of this Agreement. The period during which Shelf Notes may be issued and sold pursuant to this Agreement is herein called the “**Issuance Period**”.

(c) **Request for Purchase.** The Company may from time to time during the Issuance Period make requests for purchases of Shelf Notes (each such request being herein called a “**Request for Purchase**”). Each Request for Purchase shall be made to MetLife by telecopier or overnight delivery service, and shall (i) specify the currency (which shall be an Accepted Currency of the Shelf Notes to be issued pursuant thereto), (ii) specify in Dollars the aggregate principal amount of Notes (or the Dollar Equivalent of Notes to be denominated in Sterling or Euros) covered thereby, which shall not be less than \$10,000,000 and not be greater than the Available Facility Amount at the time such Request for Purchase is made, (ii) specify the principal amounts, final maturities, principal prepayment dates and amounts and interest payment periods (quarterly or semi-annually in arrears) of the Shelf Notes covered thereby, (iii) specify the use of proceeds of such Shelf Notes, (iv) specify the proposed day for the closing of the purchase and sale of such Shelf Notes, which shall be a Business Day during the Issuance Period not less than 10 days and not more than 25 days after the making of such Request for Purchase, (v) specify the number of the account and the name and address of the depository institution to which the purchase prices of such Shelf Notes are to be transferred on the Closing Day for such purchase and sale, (vi) certify that the representations and warranties contained in Section 5 are true on and as of the date of such Request for Purchase and that there exists on the date of such Request for Purchase no Event of Default or Default, and (vii) be substantially in the form of Exhibit 2(c) attached hereto. Each Request for Purchase shall be in writing signed by the Company and shall be deemed made when received by MetLife.

(d) **Rate Quotes.** Not later than five Business Days after the Company shall have given MetLife a Request for Purchase pursuant to Section 2.2(c), MetLife may, but shall be under no obligation to, provide to the Company by telephone or telecopier, in each case between 9:30 A.M. and 1:30 P.M. New York City local time (or such later time as MetLife may elect) interest rate spreads (expressed in basis points) for the several currencies, principal amounts (or the approximate Sterling Equivalent or Euro Equivalent in the case of Notes to be denominated in Sterling or Euros, as the case may be, as estimated by MetLife pursuant to the last sentence of this Section 2.4), maturities, principal prepayment schedules, and interest payment periods of Shelf Notes specified in such Request for Purchase (each such interest rate quote provided in response to a Request for Purchase herein called a “**Quotation**”). Each Quotation shall represent the spread (expressed in basis points) at which MetLife or a MetLife Affiliate would be willing to purchase such Notes at 100% of the principal amount thereof over the yield to maturity (i) in the case of Notes to be denominated in Dollars, on the on the run U.S. treasury security with a maturity corresponding to the average life of such Notes or in the absence of a single such U.S. treasury security, over the linearly interpolated yield to maturity on two such U.S. treasury securities with maturities on either side of the average life of such Notes (such single U.S. treasury security or two such U.S. Treasury securities being herein referred to as the “**Designated Treasuries**”), (ii) in the case of Notes to be denominated in Sterling, on the on the run U.K. gilt-edged security with a maturity corresponding to the average life of such Notes or in the absence of a single such gilt-edged security, over the linearly interpolated yield to maturity on two U.K. gilt-edged securities with maturities on either side of the average life of such Notes (such single gilt-edged security or two gilt-edged securities being herein referred to as the “**Designated Gilt(s)**”) and (iii) in the case of Notes to be denominated in Euros, on the on the run benchmark German Bund with a maturity corresponding to the average life of such Notes or in the absence of a single such benchmark German Bund, over the linearly interpolated yield to maturity on two benchmark German Bund with maturities on either side of the average life of such Notes (such single German Bund or two German Bunds being herein referred to as the “**Designated Euro Securities**”). In the event that a Request for Purchase shall include a request for Notes denominated in Sterling or Euros, the Quotation shall also specify the Designated Gilt(s) or Designated Euro Securities, as the case may be, the proposed Closing Day and the rate of exchange used by MetLife in calculating the approximate Sterling Equivalent or Euro Equivalent of the requested principal amount of such Note (it being understood that the final Sterling Equivalent or Euro Equivalent, as the case may be, of such requested principal amount shall be determined by MetLife at the time the Company accepts the relevant Quotation pursuant to Section 2.2(e)).

(e) **Acceptance.** Within the Acceptance Window, an Authorized Officer of the Company may, subject to Section 2.2(f), elect to accept on behalf of the Company a Quotation as to the aggregate principal amount of the Shelf Notes specified in the related Request for Purchase. Such election shall be made by an Authorized Officer of the Company notifying MetLife by telephone or telecopier within the Acceptance Window (but not earlier than 10:00 A.M. or later than 1:00 P.M., New York City local time) that the Company elects to accept such Quotation, specifying the Shelf Notes (each such Shelf Note being herein called an “**Accepted Note**” and such acceptance being herein called an “**Acceptance**”). The day the Company notifies MetLife of an Acceptance with respect to any Accepted Notes is herein called the “**Acceptance Day**” for such Accepted Notes. The interest rate on each Accepted Note shall be calculated by MetLife at the time of Acceptance as the sum of (i) the yield to

maturity or the yield or linearly interpolated yield, as the case may be, on the Designated Treasuries, Designated Gilt(s) or the Designated Euro Securities, as the case may be, with a maturity corresponding to the average life of the Accepted Note plus (ii) the spread specified in the relevant Quotation. Any Quotation as to which MetLife does not receive an Acceptance within the Acceptance Window shall expire, and no purchase or sale of Shelf Notes hereunder shall be made based on any such expired Quotation. Subject to Section 2.2(f) and the other terms and conditions hereof, the Company agrees to sell to MetLife or a MetLife Affiliate, and MetLife agrees to purchase or cause the purchase by MetLife Affiliate of, the Accepted Notes as to which Quotations shall have been provided to the Company for purchases by MetLife or MetLife Affiliates at 100% of the principal amount of such Notes. As soon as practicable following the Acceptance Day, the Company, MetLife and each MetLife Affiliate which is to purchase any such Accepted Notes will execute a confirmation of such Acceptance substantially in the form of Exhibit 2(e) attached hereto (herein called a “**Confirmation of Acceptance**”). If the Company should fail to execute and return to MetLife within three Business Days following the Company’s receipt thereof a Confirmation of Acceptance with respect to any Accepted Notes, MetLife may at its election at any time prior to MetLife’s receipt thereof cancel the closing with respect to such Accepted Notes by so notifying the Company in writing.

(f) **Market Disruption.** Notwithstanding the provisions of Section 2.2(e), any Quotation provided pursuant to Section 2.2(d) shall expire if prior to the time an Acceptance with respect to such Quotation shall have been notified to MetLife in accordance with Section 2.2(e), the domestic market for U.S. Treasury securities or derivatives shall have closed or there shall have occurred a general suspension, material limitation, or significant disruption of trading (i) in securities generally on the New York Stock Exchange or (ii) in the domestic market for U.S. Treasury securities or derivatives (in the case of Shelf Notes to be denominated in Dollars), U.K. gilt-edged securities (in the case of Shelf Notes to be denominated in Sterling), German Bunds (in the case of Shelf Notes to be denominated in Euros), or other financial instruments or (iii) in the case of Shelf Notes to be denominated in a currency other than in Dollars, in the forward currency market, the financial futures market or the interest rate swap market, then such Quotations shall expire, and no purchase or sale of Notes hereunder shall be made based on such expired Quotation. If the Company thereafter notifies MetLife of the Acceptance of any such Quotation, such Acceptance shall be ineffective for all purposes of this Agreement, and MetLife shall promptly notify the Company that the provisions of this Section 2.2(f) are applicable with respect to such Acceptance.

(g) **Fees.**

(i) **Issuance Fee.** The Company will pay to each Purchaser in immediately available funds a fee (herein called the “**Issuance Fee**”) on each Closing Day occurring 90 days or more after the Series A/B Closing Day in an amount equal to 0.125% (or such lesser fee as agreed upon between the Company and each Purchaser) of the aggregate principal amount of Notes sold to such Purchaser on such Closing Day.

(ii) **Delayed Delivery Fee.** If the closing of the purchase and sale of any Accepted Note is delayed for any reason beyond the original Closing Day for such Accepted Note, the Company will pay to each Purchaser which shall have agreed to purchase such Accepted Note:

(A) in the case of an Accepted Note denominated in Dollars, on the Cancellation Date or actual closing date of such purchase and sale, an amount (herein called the “**Dollar Delayed Delivery Fee**”) equal to the product of (1) the amount determined by MetLife to be the amount by which the bond equivalent yield per annum of such Accepted Note exceeds the investment rate per annum on an alternative Dollar investment of the highest quality selected by MetLife and having a maturity date or dates the same as, or closest to, the Rescheduled Closing Day from time to time fixed for the delayed delivery of such Accepted Note, (2) the principal amount of such Accepted Note, and (3) a fraction the numerator of which is equal to the number of actual days elapsed from and including the original Closing Day for such Accepted Note and the denominator of which is 360 days; and

(B) in the case of an Accepted Note denominated in Sterling or Euros, on the Cancellation Date or actual closing date of such purchase and sale, an amount (herein called the “**Non-Dollar Delayed Delivery Fee**”) equal to the sum of (x) an amount equal to the product of (i) the difference between the Rate of Interest on the Accepted Note and the Overnight Investment Rate on funds deposited on each day from and including the original Closing Day for such Accepted Note, (ii) the aggregate principal amount of such Accepted Note and (iii) a fraction the numerator of which is equal to the number of actual days elapsed from and including the original Closing Day for such Accepted Note to but excluding the date of such payment, and the denominator of which is 360 in the case of Accepted Notes denominated in Euros and 365 in the case of Accepted Notes denominated in Sterling plus (y) any cost or expenses (if any) incurred by the Purchaser or any of its affiliates with respect to any interest rate and/or currency exchange agreement entered into by the Purchaser or such affiliate in connection with a delayed closing in relation to the Accepted Notes and upon request the Purchaser shall provide such Issuer with a certificate setting out the manner of calculation and the amount set out in such certificate shall be conclusive, save in the case of manifest error.

In no case shall a Delayed Delivery Fee be less than zero. The Delayed Delivery Fee described in clause (B) above shall be paid in the currency in which the Accepted Notes are denominated. Nothing contained herein shall obligate any Purchaser to purchase any Accepted Note on any day other than the Closing Day for such Accepted Note, as the same may be rescheduled from time to time in compliance with Section 3.3. If all conditions to Closing set forth in Section 4 hereof have been satisfied on the original Closing Day for any Accepted Notes (other than (x) Section 4.4 (b) unless the Company or any Subsidiary Guarantor shall have failed

to comply with any reasonable request of the Purchasers or their special counsel to provide information necessary for the Purchasers' special counsel to deliver the opinion required by such clause (b), (y) Section 4.5 unless the Company shall have failed to comply with the request of any Purchaser pursuant to the last sentence of such Section and/or (z) Section 4.6 where failure to sell results from another Purchaser refusing to purchase or being unable to purchase for any reason specified in Section 4.5 unless the Company shall have failed to comply with the request of any Purchaser pursuant to the last sentence of such Section 4.5) and a Purchaser fails to purchase such Accepted Notes, the Company shall have no obligation to pay the Delayed Delivery Fee with respect to such Accepted Notes.

(iii) **Cancellation Fee.** If the Company at any time notifies MetLife or the Purchaser obligated to purchase any Accepted Note in writing that the Company is canceling the closing of the purchase and sale of any Accepted Note, or if MetLife or the Purchaser obligated to purchase any Accepted Note notifies the Company in writing under the circumstances set forth in the last sentence of Section 2.2(e) or the penultimate sentence of Section 3.3 that the closing of the purchase and sale of such Accepted Note is to be canceled, or if the closing of the purchase and sale of any Accepted Note denominated in Sterling or Euros is not consummated on or prior to the day which is 20 Business Days after the Acceptance Day, or if the closing of the purchase and sale of any Accepted Note is not consummated on or prior to the last day of the Issuance Period (the date of any such notification, or the last day of the Issuance Period, as the case may be, or such twentieth Business Day after the Acceptance Day, being herein called the "**Cancellation Date**"), the Company will pay to each Purchaser which shall have agreed to purchase such Accepted Note no later than one day after the Cancellation Date in immediately available funds an amount (the "**Cancellation Fee**") equal to:

(A) in the case of an Accepted Note denominated in Dollars, the product of (1) the principal amount of such Accepted Note and (2) the quotient (expressed in decimals) obtained by dividing (y) the excess of the ask price (as determined by MetLife) of the Hedge Treasury Note(s) on the Cancellation Date over the bid price (as determined by MetLife) of the Hedge Treasury Note(s) on the Acceptance Day for such Accepted Note by (z) such bid price, with the foregoing bid and ask prices as reported on the Bridge\Telerate Service, or if such information ceases to be available on the Bridge\Telerate Service, any publicly available source of such market data selected by MetLife, and rounded to the second decimal place; and

(B) in the case of an Accepted Note denominated in Sterling or Euros, the aggregate of all costs and expenses (if any) incurred by such Purchaser or its affiliate with respect to any interest rate and/or currency exchange agreement entered into by the Purchaser or such affiliate and all unwinding costs incurred by such Purchaser or its affiliate on positions

executed by or on behalf of it or such affiliate, in each case in contemplation of the Closing, in connection with fixing the coupon and the principal of the Accepted Note, provided, however, that any gain realized upon either unwinding interest rate hedging arrangements or currency swaps shall be offset against any unwinding costs incurred in either instance. Such positions include currency and interest rate swaps, futures, forwards, any government bond hedges and currency exchange contracts which are subject to substantial price volatility. Such costs may also include losses (if any) incurred by such Purchaser or its affiliate as a result of fluctuations in exchange rates. All unwinding costs incurred by such Purchaser shall be determined by such Purchaser in accordance with generally accepted financial practice in the sole discretion of such Purchaser and upon request the Purchaser shall provide the Company with a certificate setting out the manner of calculation and the amount set out in such certificate shall be conclusive, save in the case of manifest error.

In no case shall the Cancellation Fee be less than zero.

3. CLOSING.

Section 3.1. Series A/B Closing. The sale and purchase of the Series A Notes to be purchased by each Series A Purchaser and the Series B Notes to be purchased by each Series B Purchaser shall occur at the offices of Bingham McCutchen LLP, One State Street, Hartford, Connecticut 06103, at 10:00 A.M., New York City local time, at a closing (the “**Series A/B Closing**”) on February 12, 2015 or on such other Business Day thereafter as may be agreed upon by the Company, the Series A Purchasers and the Series B Purchasers (the day of the Series A/B Closing hereinafter referred to as the “**Series A/B Closing Day**”). At the Series A/B Closing the Company will deliver (i) to each Series A Purchaser the Series A Notes to be purchased by such Purchaser in the form of a single Series A Note (or such greater number of Series A Notes in denominations of at least \$100,000 as such Purchaser may request) dated the date of the Series A/B Closing and registered in such Purchaser’s name (or in the name of its nominee), against delivery by such Purchaser to the Company or its order of immediately available funds in the amount of the purchase price therefor and (ii) to each Series B Purchaser the Series B Notes to be purchased by such Purchaser in the form of a single Series B Note (or such greater number of Series B Notes in denominations of at least \$100,000 as such Purchaser may request) dated the date of the Series A/B Closing and registered in such Purchaser’s name (or in the name of its nominee), against delivery by such Purchaser to the Company or its order of immediately available funds in the amount of the purchase price therefor, in each case by wire transfer of immediately available funds for the account of the Company to account number 458001259428 at Bank of America, N.A., 100 Middle Street, 2nd Floor, Portland, ME 04101-4100, Account name: IDEXX Laboratories Inc. Operating Account, Routing/Transit for Wires: 026009593. If at the Series A/B Closing the Company shall fail to tender such Series A Notes to any Series A Purchaser or such Series B Notes to any Series B Purchaser as provided above in this Section 3.1, or any of the conditions specified in Section 4 shall not have been fulfilled to such Purchaser’s reasonable satisfaction, such Purchaser shall, at its election, be relieved of all further obligations under this Agreement, without thereby waiving any rights such Purchaser may have by reason of such failure or such nonfulfillment. The Series A/B Closing and each Shelf Closing are hereafter sometimes each referred to as a “**Closing**”.

Section 3.2. Facility Closings. Not later than 11:30 A.M. (New York City local time) on the Closing Day for any Accepted Notes, the Company will deliver to each Purchaser listed in the Confirmation of Acceptance relating thereto at the offices of Metropolitan Life Insurance Company, 10 Park Avenue, Morristown, New Jersey 07962-1902, Attention: Law Department or at such other place pursuant to the directions of MetLife, the Accepted Notes to be purchased by such Purchaser in the form of one or more Notes in authorized denominations as such Purchaser may request for each Series of Accepted Notes to be purchased on the Closing Day, dated the Closing Day and registered in such Purchaser's name (or in the name of its nominee), against payment of the purchase price thereof by transfer of immediately available funds for credit to the Company's account specified in the Request for Purchase of such Notes.

Section 3.3. Rescheduled Facility Closings. If the Company fails to tender to any Purchaser the Accepted Notes to be purchased by such Purchaser on the scheduled Closing Day for such Accepted Notes as provided above in Section 3.2, or any of the conditions specified in Section 4 shall not have been fulfilled by the time required on such scheduled Closing Day, the Company shall, prior to 2:00 P.M., New York City local time, on such scheduled Closing Day notify MetLife (which notification shall be deemed received by each Purchaser) in writing whether (x) such closing is to be rescheduled (such rescheduled date to be (i) in the case of a Note denominated in Dollars, a New York Business Day during the Issuance Period not less than one New York Business Day and not more than 10 New York Business Days after such scheduled Closing Day or (ii) in the case of a Note denominated in a currency other than in Dollars, a Business Day during the Issuance Period not more than 20 Business Days after the Acceptance Day (each, a "**Rescheduled Closing Day**")) and certify to MetLife (which certification shall be for the benefit of each Purchaser) that the Company reasonably believes that it will be able to comply with the conditions set forth in Section 4 on such Rescheduled Closing Day and that the Company will pay the Delayed Delivery Fee in accordance with Section 2.2(g)(ii) or (y) such closing is to be canceled as provided in Section 2.2(g)(iii). For the avoidance of doubt, in the event that a Rescheduled Closing Day is established pursuant to the preceding sentence in respect of Notes denominated in Sterling or Euros, the Notes to be issued on such Rescheduled Closing Day shall have the same maturities, installment payment schedules and interest payment periods as if such Notes had been issued on the original Closing Day. In the event that the Company shall fail to give such notice referred to in the second preceding sentence, MetLife (on behalf of each Purchaser) may at its election, at any time after 2:00 P.M., New York City local time, on such scheduled Closing Day, notify the Company in writing that such closing is to be canceled. Notwithstanding anything to the contrary appearing in this Agreement, the Company may not elect to reschedule a closing with respect to any given Accepted Notes on more than one occasion, unless MetLife shall have otherwise consented in writing.

4. CONDITIONS TO CLOSING.

Each Purchaser's obligation to purchase and pay for the Notes to be sold to such Purchaser at the Closing for such Notes is subject to the fulfillment to such Purchaser's satisfaction, prior to or at such Closing, of the following conditions (with respect to each Closing after the Series A/B Closing Day, in addition to the condition that the Series A/B Closing Day shall have occurred):

(b) With respect to each Closing occurring after the Series A/B Closing and while any Subsidiary Guarantee Agreement is in place, each Subsidiary Guarantor shall have delivered to each Purchaser a confirmation and reaffirmation of its obligations under such Subsidiary Guarantee Agreement, in form and substance satisfactory to such Purchaser.

The Company represents and warrants to each Purchaser that:

Section 5.1. Organization; Powers.

Each Credit Party is duly organized, validly existing and in good standing (or its jurisdictional equivalent, if any) under the laws of the jurisdiction of its organization and has all requisite power and authority to carry on its business as now conducted. Each Subsidiary is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization and has all requisite power and authority to carry on its business as now conducted, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. Section 5.2. Authorization, Enforceability.

The Transactions are within each Credit Party's corporate powers and have been duly authorized by all necessary corporate and, if required, stockholder action. This Agreement has been duly executed and delivered by the Company. This Agreement constitutes, and upon execution and delivery thereof, each Note will constitute, a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with their terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 5.3. Governmental Approvals; No Conflicts.

The transactions contemplated hereunder (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect, (b) will not violate any law or regulation, applicable to the Credit Parties or any Material Subsidiaries in any material respect or the charter, by-laws or other organizational documents of the Company or any of its Subsidiaries or any order of any Governmental Authority, (c) will not violate or result in a default under any indenture, material agreement or other material instrument binding upon the Company or any of its Subsidiaries or their assets, or give rise to a right thereunder to require any payment to be made by the Credit Parties, and (d) will not result in the creation or imposition of any Lien on any material asset of the Company or any of its Subsidiaries.

Section 5.4. Financial Condition.

The Company has delivered to each Purchaser of the Series A Notes, the Series B Notes and any Accepted Notes the following financial statements identified by a principal financial officer of the Company: (a) consolidated balance sheets of the Company and its Subsidiaries as at December 31st in each of the three fiscal years of the Company most recently completed prior to the date as of which this representation is made or repeated to such Purchaser (other than fiscal years completed within 90 days prior to such date for which audited financial statements have not been released) and consolidated statements of income, cash flows and shareholders' equity of the Company and its Subsidiaries for each such year, all reported on by PricewaterhouseCoopers LLP or such other independent public accountants acceptable to the Required Holders and (b) consolidated balance sheets of the Company and its Subsidiaries as at the end of the quarterly period (if any) most recently completed prior to such date and after the end of such fiscal year (other than quarterly periods completed within 60 days prior to such date for which financial statements have not been released) and the comparable quarterly period in the preceding fiscal year and consolidated statements of income, cash flows and shareholders' equity for the periods from the beginning of the fiscal years in which such quarterly periods are included to the end of such quarterly periods, prepared by the Company. All of said financial statements (including in each case the related schedules and notes) fairly present in all material respects the consolidated financial position of the Company and its Subsidiaries as of the respective dates thereof and the consolidated results of their operations and cash flows for the respective periods indicated and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments and the absence of footnotes).

Section 5.5. Properties.

(a) Each of the Company and its Subsidiaries has good title to, or valid leasehold interests in, all its real and personal property material to its business, except for minor defects in title that do not interfere with its ability to conduct its business as currently conducted or to utilize such properties for their intended purposes.

(b) Each of the Company and its Subsidiaries owns, or is licensed to use, all trademarks, tradenames, copyrights, patents and other intellectual property material to its business, and the use thereof by the Company and its Subsidiaries does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

Section 5.6. Litigation and Environmental Matters.

(a) There are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Company, threatened against or affecting the Company or any of its Subsidiaries (i) that would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect (other than the Disclosed Matters) or (ii) that involve this Agreement or the Transactions, as of the date of this Agreement.

(b) Except for the Disclosed Matters and except with respect to any other matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, neither the Company nor any of its Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability.

(c) Since the date of this Agreement, there has been no change in the status of the Disclosed Matters that, individually or in the aggregate, has resulted in a Material Adverse Effect.

Each of the Company and its Subsidiaries is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. No Default has occurred and is continuing.

Neither the Company nor any of its Subsidiaries is (a) an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940 or (b) a “holding company” as defined in, or subject to regulation under, the Public Utility Holding Company Act of 2005.

Section 5.9. Taxes.

Each of the Company and its Subsidiaries has timely filed or caused to be filed all Tax returns and reports required to have been filed (within any applicable extension) and has paid or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which the Company or such Subsidiary, as applicable, has set aside on its books adequate reserves or (b) to the extent that the failure to do so could not reasonably be expected to result in a Material Adverse Effect.

Section 5.10. ERISA and Pensions.

(a) No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. The present value of all accumulated benefit obligations under each Plan (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of such Plan by more than \$10,000,000, and the present value of all accumulated benefit obligations of all Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the assets of all such Plans by more than \$10,000,000. For greater certainty, this subsection does not apply to Canadian Benefit Plans or Canadian Pension Plans.

(b) As of such Closing Day, Schedule 5.10(b) lists all Canadian Benefit Plans and Canadian Pension Plans currently maintained by or contributed to by the Company and its Subsidiaries. There have been no improper withdrawals or applications of the assets of the Canadian Pension Plans or the Canadian Benefit Plans. Except as set forth on Schedule 5.10(b) and other than routine claims for benefits, there are no outstanding disputes concerning the assets of the Canadian Pension Plans or the Canadian Benefit Plans. There has been no partial termination of any Canadian Pension Plan and, to the Company's knowledge, no facts or circumstances have occurred or existed which could result in a partial termination of any Canadian Pension Plans.

(c) The execution and delivery of this Agreement and the issuance and sale of the Notes hereunder will not involve any transaction that is subject to the prohibitions of section 406 of ERISA or in connection with which a tax could be imposed pursuant to section 4975(c)(1)(A)-(D) of the Code. The representation by the Company to each Purchaser in the first sentence of this Section 5.10 (c) is made in reliance upon and subject to the accuracy of such Purchaser's representation in Section 6.2 as to the sources of the funds to be used to pay the purchase price of the Notes to be purchased by such Purchaser.

Section 5.11. Disclosure.

None of the reports, financial statements, certificates or other information furnished by or on behalf of the Company to any Purchaser in connection with the negotiation of this Agreement or delivered hereunder (as modified or supplemented by other information so furnished) contains any material misstatement of material fact or omits to state any material fact

necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; provided that with respect to projected financial information, the Company represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time.

Section 5.14. Private Offering by the Company.

Neither the Company nor anyone acting on its behalf has offered the Notes or any similar Securities for sale to, or solicited any offer to buy the Notes or any similar Securities from, or otherwise approached or negotiated in respect thereof with, any Person other than the Purchasers and not more than 10 other Institutional Investors, each of which has been offered the Notes at a private sale for investment. Neither the Company nor anyone acting on its behalf has taken, or will take, any action that would subject the issuance or sale of the Notes to the registration requirements of section 5 of the Securities Act or to the registration requirements of any Securities or blue sky laws of any applicable jurisdiction. Neither the Company nor anyone acting on its behalf has, with respect to the Notes, engaged in any form of "general solicitation or general advertising" as defined under Rule 502(c) of the Securities Act.

Section 5.15. Foreign Assets Control Regulations, Etc.

7. [INTENTIONALLY OMITTED.]

8. PAYMENT AND PREPAYMENT OF THE NOTES.

Section 8.1. Maturity; Required Prepayments.

(a) **Series A Notes.** As provided therein, the entire unpaid principal balance of the Series A Notes shall be due and payable on the stated maturity date thereof.

(b) **Series B Notes.** As provided therein, the entire unpaid principal balance of the Series B Notes shall be due and payable on the stated maturity date thereof.

(c) **Shelf Notes.** Each Series of Shelf Notes shall be subject to required prepayments, if any, as set forth in the Notes of such Series, provided that upon any partial prepayment of the Shelf Notes of any Series pursuant to Section 8.2, the principal amount of each required prepayment of the Shelf Notes of such Series becoming due under this Section 8.1(c) on and after the date of such prepayment shall be reduced in the same proportion as the aggregate unpaid principal amount of the Shelf Notes of such Series is reduced as a result of such prepayment.

Section 8.2. Optional Prepayments with Make-Whole Amount.

The Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, any Series of Notes, in an amount not less than \$1,000,000 in the case of Dollar denominated Notes, £1,000,000 in the case of Sterling denominated Notes and €1,000,000 in the case of Euro denominated Notes, and integral multiples of \$100,000, £100,000 or €100,000, respectively, in the case of a partial prepayment, at 100% of the principal amount so prepaid, plus the Make-Whole Amount, if any, applicable to each Note to be prepaid, determined for the prepayment date with respect to such principal amount, plus, with respect to any Swapped Notes, any applicable Net Loss (if any) and less any applicable Net Gain (if any). The Company will give each holder of the Series of Notes to be prepaid written notice of each optional prepayment under this Section 8.2 not less than 10 days and not more than 60 days prior to the date fixed for such prepayment unless the Company and the Required Holders agree to another time period pursuant to Section 17. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Series of Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.3), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount for each Series of Notes due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, the Company shall deliver to each holder of the Series of Notes to be prepaid a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

Section 8.3. Allocation of Partial Prepayments.

In the case of each partial prepayment of the Notes of any Series pursuant to Section 8.1 or 8.2, the principal amount of the Notes of such Series to be prepaid shall be allocated among all of the Notes of such Series at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

Section 8.4. Maturity; Surrender, Etc.

In the case of each optional prepayment of Notes of any Series pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment (which shall be a Business Day), together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any, plus any applicable Net Loss (if any) and in each case, less any applicable Net Gain (if any). From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, plus any applicable Net Loss (if any) and in each case less any applicable Net Gain (if any), as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

Section 8.5. Purchase of Notes.

The Company will not and will not permit any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with this Agreement and the Notes or (b) pursuant to an offer to purchase made by the Company or an Affiliate pro rata to the holders of all Notes at the time outstanding upon the same terms and conditions. Any such offer shall provide each holder with sufficient information to enable it to make an informed decision with respect to such offer, and shall remain open for at least 15 Business Days. If the holders of more than 25% of the principal amount of the Notes then outstanding accept such offer, the Company shall promptly notify the remaining holders of such fact and the expiration date for the acceptance by holders of Notes of such offer shall be extended by the number of days necessary to give each such remaining holder at least 5 Business Days from its receipt of such notice to accept such offer. The Company will promptly cancel all Notes acquired by it or any Affiliate pursuant to any payment, prepayment or purchase of Notes pursuant to this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

Section 8.6. Make-Whole Amount.

(a) The term “**Make-Whole Amount**” means, with respect to any Non-Swapped Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Non-Swapped Note over the amount of such Called Principal, provided that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“Called Principal” means, with respect to any Non-Swapped Note, the principal of such Non-Swapped Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“Discounted Value” means, with respect to the Called Principal of any Non-Swapped Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Non-Swapped Note is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“Recognized British Government Bond Market Makers” means two internationally recognized dealers of gilt edged securities reasonably selected by MetLife.

“Recognized German Bund Market Makers” means two internationally recognized dealers of German Bunds reasonably selected by MetLife.

“Reinvestment Yield” means:

(a) with respect to the Called Principal of any Non-Swapped Note denominated in Dollars, 0.50% (fifty basis points) plus the yield to maturity implied by the yields reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (**“Reported”**) having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between the yields Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then “Reinvestment Yield” means, with respect to the Called Principal of any Note, the Applicable Percentage plus the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (1) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

(b) with respect to the Called Principal of any Non-Swapped Note denominated in Euros, 0.50% (fifty basis points) plus the yield to maturity implied by (i) the ask-side yields reported, as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PXGE” on Bloomberg Financial Markets (or such other display as may replace Page PXGE’ on Bloomberg Financial Markets) for the benchmark German Bund having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date, or (ii) if such yields are not reported as of such time or the yields reported are not ascertainable, the average of the ask-side yields as determined by Recognized German Bund Market Makers. Such implied yield will be determined, if necessary, by (a) converting quotations to bond-equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between (1) the benchmark German Bund with the maturity closest to and greater than such Remaining Average Life and (2) the benchmark German Bund with the maturity closest to and less than such Remaining Average Life; and

(c) with respect to the Called Principal of any Non-Swapped Note denominated in Sterling, 0.50% (fifty basis points) plus the yield to maturity implied by (i) the ask-side yields reported, as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated “Page PXUK” on Bloomberg Financial Markets (or such other display as may replace “Page PXUK” on Bloomberg Financial Markets) for actively traded gilt-edged securities having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date, or (ii) if such yields are not reported as of such time or the yields reported are not ascertainable, the average of the ask-side yields as determined by Recognized British Government Bond Market Makers. Such implied yield will be determined, if necessary, by (a) converting quotations to bond-equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between (1) the actively traded gilt-edged security with the maturity closest to and greater than such Remaining Average Life and (2) the actively traded gilt-edged security with the maturity closest to and less than such Remaining Average Life.

The Reinvestment Yield will be rounded to that number of decimals as appears in the coupon for the applicable Non-Swapped Note.

“**Remaining Average Life**” means, with respect to any Called Principal, the number of years obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years, computed on the basis of a 360-day year composed of twelve 30-day months and calculated to two decimal places, that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“**Remaining Scheduled Payments**” means, with respect to the Called Principal of any Non-Swapped Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such

Called Principal were made prior to its scheduled due date, provided that if such Settlement Date is not a date on which interest payments are due to be made under the terms of such Non-Swapped Note, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.4 or Section 12.1.

“**Settlement Date**” means, with respect to the Called Principal of any Non-Swapped Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

(b) The term “**Make-Whole Amount**” means, with respect to any Swapped Note, an amount equal to the excess, if any, of the Swapped Note Discounted Value with respect to the Swapped Note Called Notional Amount related to such Swapped Note over such Swapped Note Called Notional Amount, *provided* that the Make-Whole Amount may not in any event be less than zero. All payments of Make-Whole Amount in respect of any Swapped Note shall be made in Dollars. For the purposes of determining the Make-Whole Amount with respect to any Swapped Note, the following terms have the following meanings:

“**New Swap Agreement**” means any cross-currency swap agreement pursuant to which the holder of a Swapped Note is to receive payment in Dollars and which is entered into in full or partial replacement of an Original Swap Agreement as a result of such Original Swap Agreement having terminated for any reason other than due to a non-scheduled prepayment or a repayment of such Swapped Note prior to its scheduled maturity. The terms of a New Swap Agreement with respect to any Swapped Note do not have to be identical to those of the Original Swap Agreement with respect to such Swapped Note.

“**Original Swap Agreement**” means, with respect to any Swapped Note, (x) a cross-currency swap agreement and annexes and schedules thereto (an “**Initial Swap Agreement**”) that is entered into on an arm’s length basis by the original purchaser of such Swapped Note (or any affiliate thereof) in connection with the execution of a Confirmation of Acceptance with respect to such Swapped Note, and relates to the scheduled payments by the Company of interest and principal on such Swapped Note, under which the holder of such Swapped Note is to receive payments from the counterparty thereunder in Dollars and which is more particularly described on Schedule 8.6(b) hereto, (y) any Initial Swap Agreement that has been assumed (without any waiver, amendment, deletion or replacement of any material economic term or provision thereof) by a holder of a Swapped Note in connection with a transfer of such Swapped Note and (z) any Replacement Swap Agreement; and a “**Replacement Swap Agreement**” means, with respect to any Swapped Note, a cross-currency swap agreement and annexes and schedules thereto with payment terms and provisions (other than a reduction in notional amount, if applicable) identical to those of the Initial Swap Agreement with respect to such Swapped Note that is entered into on an arm’s length basis by the holder of such Swapped Note in full or partial replacement (by amendment, modification or otherwise) of such Initial Swap Agreement (or any subsequent Replacement Swap Agreement) in a notional amount not exceeding the outstanding principal amount of such Swapped Note following a non-scheduled prepayment or a repayment of such Swapped Note prior to its scheduled maturity. Any holder of a Swapped Note that enters into, assumes or terminates an Initial Swap Agreement or Replacement Swap Agreement shall within a reasonable period of time thereafter deliver to the Company a copy of the confirmation, assumption or termination related thereto.

“**Swap Agreement**” means, with respect to any Swapped Note, an Original Swap Agreement or a New Swap Agreement, as the case may be.

“**Swapped Note**” means any Shelf Note that is also a Non-Dollar Note and that as of the date of the Closing at which such Shelf Note was purchased is subject to a Swap Agreement. A “**Swapped Note**” shall no longer be deemed a “Swapped Note” at such time as the related Swap Agreement ceases to be in force in respect thereof.

“**Swapped Note Called Notional Amount**” means, with respect to any Swapped Note Called Principal of any Swapped Note, the payment in Dollars due to the holder of such Swapped Note under the terms of the Swap Agreement to which such holder is a party, attributable to and in exchange for such Swapped Note Called Principal and assuming that such Swapped Note Called Principal is paid on its scheduled maturity date, *provided* that if such Swap Agreement is not an Initial Swap Agreement, then the “Swapped Note Called Notional Amount” in respect of such Swapped Note shall not exceed the amount in U.S. Dollars which would have been due to the holder of such Swapped Note under the terms of the Initial Swap Agreement to which such holder was a party (or if such holder was never party to an Initial Swap Agreement, then the last Initial Swap Agreement to which the most recent predecessor in interest to such holder as a holder of such Swapped Note was a party), attributable to and in exchange for such Swapped Note Called Principal and assuming that such Swapped Note Called Principal is paid on its scheduled maturity date.

“**Swapped Note Called Principal**” means, with respect to any Swapped Note, the principal of such Swapped Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“**Swapped Note Discounted Value**” means, with respect to the Swapped Note Called Notional Amount of any Swapped Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires, the amount obtained by discounting all Swapped Note Remaining Scheduled Swap Payments corresponding to the Swapped Note Called Notional Amount of such Swapped Note from their respective scheduled due dates to the Swapped Note Settlement Date with respect to such Swapped Note Called Notional Amount, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on such Swapped Note is payable) equal to the Swapped Note Reinvestment Yield with respect to such Swapped Note Called Notional Amount.

“**Swapped Note Reinvestment Yield**” means, with respect to the Swapped Note Called Notional Amount of any Swapped Note, 0.50% (fifty basis points) plus the yield to maturity implied by the yields reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Swapped Note Settlement Date with respect to such Swapped Note Called Notional Amount, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities having a maturity equal to the Swapped Note Remaining

Average Life of such Swapped Note Called Notional Amount as of such Swapped Note Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Swapped Note Remaining Average Life, then such implied yield to maturity will be determined by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between the yields Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Swapped Note Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Swapped Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then “Swapped Note Reinvestment Yield” means, with respect to the Swapped Note Called Notional Amount of any Swapped Note, 0.50% (fifty basis points) plus the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Swapped Note Called Notional Amount, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Swapped Note Remaining Average Life of such Swapped Note Called Notional Amount as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Swapped Note Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (1) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Swapped Note Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the term closest to and less than such Swapped Note Remaining Average Life. The Swapped Note Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Swapped Note.

“**Swapped Note Remaining Average Life**” means, with respect to any Swapped Note Called Notional Amount, the number of years (calculated to the nearest one-twelfth year) obtained by dividing (x) such Swapped Note Called Notional Amount into (y) the sum of the products obtained by multiplying (1) the principal component of each Swapped Note Remaining Scheduled Swap Payments with respect to such Swapped Note Called Notional Amount by (2) the number of years (calculated to the nearest one-twelfth year) that will elapse between the Swapped Note Settlement Date with respect to such Swapped Note Called Notional Amount and the scheduled due date of such Swapped Note Remaining Scheduled Payments.

“**Swapped Note Remaining Scheduled Swap Payments**” means, with respect to the Swapped Note Called Notional Amount relating to any Swapped Note, the payments due to the holder of such Swapped Note in Dollars under the terms of the Swap Agreement to which such holder is a party which correspond to all payments of the Swapped Note Called Principal of such Swapped Note corresponding to such Swapped Note Called Notional Amount and interest on such Swapped Note Called Principal (other than that portion of the payment due under such Swap Agreement corresponding to the interest accrued on the Swapped Note Called Principal to the Swapped Note Settlement Date) that would be due after the Swapped Note Settlement Date in respect of such Swapped Note Called Notional Amount assuming that no payment of such Swapped Note Called Principal is made prior to its originally scheduled payment date, *provided*

that if such Swapped Note Settlement Date is not a date on which an interest payment is due to be made under the terms of such Swapped Note, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Swapped Note Settlement Date and required to be paid on such Swapped Note Settlement Date pursuant to Section 8.2 or Section 12.1.

“**Swapped Note Settlement Date**” means, with respect to the Swapped Note Called Notional Amount of any Swapped Note Called Principal of any Swapped Note, the date on which such Swapped Note Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

Section 8.7. Payments Due on Non-Business Days.

Anything in this Agreement or the Notes to the contrary notwithstanding, (x) subject to clause (y), any payment of interest on any Note that is due on a date that is not a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; and (y) any payment of principal of or Make-Whole Amount on any Note (including principal due on the maturity date of such Note) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

Section 8.8. Prepayment of Notes Upon Change in Control.

(a) **Notice of Change in Control.** The Company will, within five Business Days after any Responsible Officer has knowledge of the occurrence of any Change in Control, give written notice of such Change in Control to each holder of Notes. Such notice shall contain and constitute an offer to prepay Notes as described in subparagraph (b) of this Section 8.8 and shall be accompanied by the certificate described in subparagraph (e) of this Section 8.8.

(b) **Offer to Prepay Notes.** The offer to prepay Notes contemplated by subparagraph (a) of this Section 8.8 shall be an offer to prepay, in accordance with and subject to this Section 8.8, all, but not less than all, the Notes held by each holder (in this case only, “**holder**” in respect of any Note registered in the name of a nominee for a disclosed beneficial owner shall mean such beneficial owner) on a date specified in such offer (the “**Change in Control Prepayment Date**”) which shall be a Business Day. Such date shall be not less than 30 days and not more than 60 days after the Change in Control.

(c) **Acceptance/Rejection.** A holder of Notes may accept the offer to prepay made pursuant to this Section 8.8 by causing a notice of such acceptance to be delivered to the Company not later than 15 days prior to the Change in Control Prepayment Date. A failure by a holder of Notes to respond to an offer to prepay made pursuant to this Section 8.8 shall be deemed to constitute a rejection of such offer by such holder.

(d) **Prepayment.** Prepayment of the Notes to be prepaid pursuant to this Section 8.8 shall be at 100% of the principal amount of such Notes, together with interest on such Notes accrued to the date of prepayment, plus any applicable Net Loss (if any) and less any applicable Net Gain (if any), but without Make-Whole Amount or other premium. The prepayment shall be made on the Change in Control Prepayment Date.

(e) **Officer's Certificate.** Each offer to prepay the Notes pursuant to this Section 8.8 shall be accompanied by a certificate, executed by a Senior Financial Officer of the Company and dated the date of such offer, specifying: (i) the Change in Control Prepayment Date; (ii) that such offer is made pursuant to this Section 8.8; (iii) the principal amount of each Note offered to be prepaid; (iv) the interest that would be due on each Note offered to be prepaid, accrued to the Change in Control Prepayment Date; (v) that the conditions of this Section 8.8 have been fulfilled; and (vi) in reasonable detail, the nature and date or proposed date of the Change in Control.

Section 8.9. Prepayment in Connection with Asset Dispositions.

In the event the Company elects to make a Debt Prepayment Application pursuant to Section 10.3(g), the Company shall offer to prepay each outstanding Note in a principal amount which equals the Ratable Portion for such Note (which offer shall be in writing and shall offer to make such prepayment on a Business Day which is not less than 30 and not more than 60 days after the date of the notice of offer (the "**Disposition Prepayment Date**")), together with accrued interest thereon to the date of such prepayment (but without Make-Whole Amount or other premium). Each holder of a Note shall notify the Company of such holder's acceptance or rejection of such offer not later than 15 days prior to the Disposition Prepayment Date by giving notice of such acceptance or rejection to the Company, *provided, however*, that any holder of a Note who fails to so notify the Company not later than 15 days prior to the Disposition Prepayment Date shall be deemed to have rejected such offer. If any holder of a Note rejects or is deemed to have rejected such offer of prepayment in accordance with the preceding sentence, then, for the purposes of determining compliance with Section 10.3(g), the Company nevertheless will be deemed to have made a Debt Prepayment Application in an amount equal to the Ratable Portion for such Note. The Company shall prepay on the Disposition Prepayment Date the Ratable Portion of each Note held by the holders who have accepted such offer in accordance with this Section 8.9, together with accrued interest thereon to the date of such prepayment (but without Make-Whole Amount or other premium).

For purposes of this Section 8.9, "**Ratable Portion**" for any Note means, with respect to a Debt Prepayment Application, an amount equal to the product of (x) the Net Proceeds Amount being so applied to the payment of Senior Indebtedness multiplied by (y) a fraction the numerator of which is the outstanding principal amount of such Note and the denominator of which is the aggregate principal amount of Senior Indebtedness of the Company and its Subsidiaries subject to such prepayment (or a required offer of such prepayment).

Section 8.10. Swap Breakage.

If any Swapped Note is prepaid pursuant to Section 8.2, 8.8 or 8.9, or has become or is declared to be immediately due and payable pursuant to Section 12.1, then (a) any resulting Net Loss in connection therewith shall be reimbursed to the holder of such Swapped Note by the Company in Dollars upon any such prepayment or repayment of such Swapped Note and (b) any resulting Net Gain in connection therewith shall be deducted (i) from the Make-Whole Amount, if any, or any principal or interest to be paid to the holder of such Swapped Note by the Company upon any such prepayment of such Swapped Note pursuant to Section 8.2, 8.8 or 8.9 or (ii) from the Make-Whole Amount, if any, to be paid to the holder of such Swapped Note by the Company upon any such repayment of such Swapped Note pursuant to Section 12.1, *provided* that, in either case, the Make-Whole Amount in respect of such Swapped Note may not in any event be less than zero. Each holder of a Swapped Note shall be responsible for calculating its own Net Loss or Net Gain, as the case may be, and Swap Breakage Amount in Dollars upon the prepayment or repayment of all or any portion of such Swapped Note, and such calculations as reported to the Company in reasonable detail shall be binding on the Company absent demonstrable error.

As used in this Section 8.10 with respect to any Swapped Note that is prepaid or accelerated: “**Net Loss**” means the amount, if any, by which the Swapped Note Called Notional Amount exceeds the sum of (x) the Swapped Note Called Principal plus (or minus in the case of an amount paid) (y) the Swap Breakage Amount received (or paid) by the holder of such Swapped Note; and “**Net Gain**” means the amount, if any, by which the Swapped Note Called Notional Amount is exceeded by the sum of (x) the Swapped Note Called Principal plus (or minus in the case of an amount paid) (y) the Swap Breakage Amount received (or paid) by such holder. For purposes of any determination of any “**Net Loss**” or “**Net Gain**,” the Swapped Note Called Principal shall be determined by the holder of the affected Swapped Note by converting Applicable Currency into Dollars at the current Applicable Currency/Dollar exchange rate, as determined as of 10:00 A.M. (New York City time) on the day such Swapped Note is prepaid or accelerated as indicated on the applicable screen of Bloomberg Financial Markets and any such calculation shall be reported to the Company in reasonable detail and shall be binding on the Company absent demonstrable error.

As used in this Section 8.10, “**Swap Breakage Amount**” means, with respect to the Swap Agreement associated with any Swapped Note, in determining the Net Loss or Net Gain, the amount that would be received (in which case the Swap Breakage Amount shall be positive) or paid (in which case the Swap Breakage Amount shall be negative) by the holder of such Swapped Note as if such Swap Agreement had terminated due to the occurrence of an event of default or an early termination under the ISDA 1992 Multi-Currency Cross Border Master Agreement or ISDA 2002 Master Agreement, as applicable (the “**ISDA Master Agreement**”); *provided, however*, that if such holder (or its predecessor in interest with respect to such Swapped Note) was, but is not at the time, a party to an Original Swap Agreement but is a party to a New Swap Agreement, then the Swap Breakage Amount shall mean the *lesser of* (x) the gain or loss (if any) which would have been received or incurred (by payment, through off-set or netting or otherwise) by the holder of such Swapped Note under the terms of the Original Swap Agreement (if any) in respect of such Swapped Note to which such holder (or any affiliate thereof) was a party (or if such holder was never a party to an Original Swap Agreement, then the last Original Swap Agreement to which the most recent predecessor in interest to such holder as a holder of a Swapped Note was a party) and which would have arisen as a result of the payment of the Swapped Note Called Principal on the Swapped Note Settlement Date and (y) the gain or loss (if any) actually received or incurred by the holder of such Swapped Note, in

connection with the payment of such Swapped Note Called Principal on the Swapped Note Settlement Date, under the terms of the New Swap Agreement to which such holder (or any affiliate thereof) is a party. The holder of such Swapped Note will make all calculations related to the Swap Breakage Amount in good faith and in accordance with its customary practices for calculating such amounts under the ISDA Master Agreement pursuant to which such Swap Agreement shall have been entered into and assuming for the purpose of such calculation that there are no other transactions entered into pursuant to such ISDA Master Agreement (other than such Swap Agreement).

The Swap Breakage Amount shall be payable in Dollars.

(i) the Company or any Material Subsidiary shall (i) voluntarily commence any case, action or proceeding or file any petition seeking liquidation, reorganization or other relief under any Federal, state, provincial or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (h) of this Section 11, (iii) apply for or consent to the appointment of a receiver, interim receiver, receiver manager, trustee, custodian, sequestrator, conservator or similar official for the Company or any Material Subsidiary or for a substantial part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such case, action or proceeding, (v) make a general assignment for the benefit of creditors or (vi) take any action for the purpose of effecting any of the foregoing;

(j) the Company or any Material Subsidiary shall admit in writing its inability to pay its debts as they become due;

(k) one or more judgments for the payment of money in an aggregate amount in excess of \$20,000,000 (or its equivalent in other currencies) shall be rendered against the Company, any Subsidiary or any combination thereof and the same shall remain undischarged for a period of 30 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Company or any Subsidiary to enforce any such judgment that is not promptly stayed;

(l) an ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred, could reasonably be expected to result in liability of the Company and its Subsidiaries with respect to any Plan, in an aggregate amount exceeding \$10,000,000 from and after the date of this Agreement; or

(m) any material provision of any Transaction Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder or satisfaction in full of all the Obligations, shall cease to be in full force and effect; or any Credit Party or any other Person shall contest in any manner the validity or enforceability of any Transaction Document; or any Credit Party shall deny that it has any or further liability or obligation under any Transaction Document, or shall purport to revoke, terminate or rescind any Transaction Document.

12. REMEDIES ON DEFAULT, ETC.

Section 12.1. Acceleration.

(a) If an Event of Default with respect to the Company described in Section 11(h) or (i) has occurred, all the Notes then outstanding shall automatically become immediately due and payable and the Facility shall automatically terminate.

(b) If any other Event of Default has occurred and is continuing, the Required Holders may at any time at their option, by notice or notices to the Company, declare all the Notes then outstanding to be immediately due and payable, and MetLife may at its option, by notice in writing to the Company, terminate the Facility.

(c) If any Event of Default described in Section 11(a) or (b) has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by it or them to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon (including, without limitation, interest accrued thereon at the Default Rate) and (y) the Make-Whole Amount (if any), plus (in the case of clauses (x) and (y)) the Net Loss due on any Swapped Notes (if any), less (in the case of clause (y) only) any Net Gain with respect to such Swapped Notes (if any), determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount and of Net Loss with respect to Swapped Notes by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 12.2. Other Remedies.

If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note or Subsidiary Guarantee Agreement, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

Section 12.3. Rescission.

At any time after any Notes have been declared due and payable pursuant to Section 12.1(b) or (c), the Required Holders, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, and any Net Loss, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, Net Loss, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) neither the Company nor any other Person shall have paid any amounts that have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.4. No Waivers or Election of Remedies, Expenses, Etc.

No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement, any Subsidiary Guarantee Agreement or by any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

Section 13.1. Registration of Notes.

The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. If any holder of one or more Notes is a nominee, then (a) the name and address of the beneficial owner of such Note or Notes shall also be registered in such register as an owner and holder thereof and (b) at any such beneficial owner's option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Agreement. Prior to due presentment for registration of transfer, the Person(s) in whose name any Note(s) shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

Section 13.2. Transfer and Exchange of Notes.

Upon surrender of any Note to the Company at the address and to the attention of the designated officer (all as specified in Section 18) for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other details for notices of each transferee of such Note or part thereof) within ten Business Days thereafter the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the holder thereof) of the same Series as such surrendered Note in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of Exhibit 1-A in the case of a Series A Note, substantially in the form of Exhibit 1-B in the case of a Series B Note, and substantially in the form of Exhibit 1-C in the case of a Shelf Note. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, €100,000 or £100,000, as the case may be, provided that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than such minimum amounts. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.2.

Section 13.3. Replacement of Notes.

Upon receipt by the Company at the address and to the attention of the designated officer (all as specified in Section 18 (iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$100,000,000 (or its equivalent in any other currency) or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof, within ten Business Days thereafter the Company at its own expense shall execute and deliver, in lieu thereof, a new Note of the same Series as such lost, stolen, destroyed or mutilated Note, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

14. PAYMENTS ON NOTES.

Section 14.1. Place of Payment.

Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, Net Loss, if any, Net Gain, if any, and interest becoming due and payable on the Notes shall be made in New York, New York, at the principal office of JPMorgan Chase Bank, N.A. in such jurisdiction. The Company may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

Section 14.2. Home Office Payment.

So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, Net Loss, if any, and interest (in each case taking into account any applicable deduction for Net Gain as provided in Section 8.10) and all other amounts by the method and at the address specified for such purpose below such Purchaser's name in Schedule A (in the case of the Series A Notes and the Series B Notes) or as specified in such Purchaser's Confirmation of Acceptance (in the case of a Shelf Note), or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 14.2.

15. EXPENSES, ETC.

Section 15.1. Transaction Expenses.

Whether or not the transactions contemplated hereby are consummated, the Company will pay all costs and expenses (including reasonable attorneys' fees of a special counsel and, if reasonably required by the Required Holders, local or other counsel) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement, any Subsidiary Guarantee Agreement or the Notes (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the costs and expenses incurred in

enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, any Subsidiary Guarantee Agreement or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement, any Subsidiary Guarantee Agreement or the Notes, or by reason of being a holder of any Note, (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes and any Subsidiary Guarantee Agreement and (c) the costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO, provided that such costs and expenses under this clause (c) shall not exceed \$3,500. The Company will pay, and will save each Purchaser and each other holder of a Note harmless from, (i) all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes) and (ii) any and all wire transfer fees that any bank deducts from any payment under such Note to such holder or otherwise charges to a holder of a Note with respect to a payment under such Note.

Section 15.2. Survival.

The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement, any Subsidiary Guarantee Agreement or the Notes, and the termination of this Agreement.

16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company under this Agreement. Subject to the preceding sentence, this Agreement, the Notes and any Subsidiary Guarantee Agreements embody the entire agreement and understanding between each Purchaser and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

17. AMENDMENT AND WAIVER.

Section 17.1. Requirements.

This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the Required Holders, except that (a) no amendment or waiver of any of the provisions of Section 1.1, 2.1, 3, 4, 5, 6 or 21 hereof, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in

writing, (b) (i) with the written consent of MetLife (and without the consent of any other holder of Notes), the provisions of Section 1.2 or 2.2 may be amended or waived (except insofar as any such amendment or waiver would affect any rights or obligations with respect to the purchase and sale of Notes which shall have become Accepted Notes prior to such amendment or waiver), and (ii) with the written consent of all of the Purchasers which shall have become obligated to purchase Accepted Notes of any Series (and not without the written consent of all such Purchasers), any of the provisions of Sections 2.2 and 4 may be amended or waived insofar as such amendment or waiver would affect only rights or obligations with respect to the purchase and sale of the Accepted Notes of such Series or the terms and provisions of such Accepted Notes and (c) no such amendment or waiver may, without the written consent of the holder of each Note at the time outstanding affected thereby, (i) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of interest or of the Make-Whole Amount, Net Loss, Net Gain or Swap Breakage Amount (as applicable) on the Notes, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any such amendment or waiver, or (iii) amend any of Section 8, 11(a), 11(b), 12, 17 or 20.

Section 17.2. Solicitation of Holders of Notes.

(a) **Solicitation.** The Company will provide each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes or any Subsidiary Guarantee Agreement, unless such proposed amendment, waiver or consent relates only to a specific Series of Accepted Notes which have not yet been purchased, in which case such information will only be required to be delivered to the Purchasers which shall have become obligated to purchase Accepted Notes of such Series. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) **Payment.** The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of Notes as consideration for or as an inducement to the entering into by any holder of Notes of any waiver or amendment of any of the terms and provisions hereof or of any Subsidiary Guarantee Agreement or any Note unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of Notes then outstanding even if such holder did not consent to such waiver or amendment.

(c) **Consent in Contemplation of Transfer.** Any consent given pursuant to this Section 17 or any Subsidiary Guarantee Agreement by a holder of a Note that has transferred or has agreed to transfer its Note (or otherwise in contemplation of a repurchase or prepayment of its Note) to the Company, any Subsidiary or any Affiliate of the Company or

any other Person in connection with, or in anticipation of, an acquisition of, tender offer for, or merger with the Company in connection with such consent shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

Section 17.3. Binding Effect, Etc.

Any amendment or waiver consented to as provided in this Section 17 or any Subsidiary Guarantee Agreement applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and the holder of any Note nor any delay in exercising any rights hereunder or under any Note or any Subsidiary Guarantee Agreement shall operate as a waiver of any rights of any holder of such Note. As used herein, the term “this Agreement” and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

Section 17.4. Notes Held by Company, Etc.

Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement, any Subsidiary Guarantee Agreement or the Notes, or have directed the taking of any action provided herein or in any Subsidiary Guarantee Agreement or in the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

18. NOTICES.

All notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by an internationally recognized overnight delivery service (charges prepaid), (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by an internationally recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

(ii) if to any Purchaser or its nominee, to such Purchaser or nominee at the address specified for such communications in Schedule A (in the case of the Series A Notes and the Series B Notes) or as specified by such Purchaser in its Confirmation of Acceptance (in the case of Shelf Notes), or at such other address as such Purchaser or nominee shall have specified to the Company in writing,

(iii) if to any other holder of any Note, to such holder at such address as such other holder shall have specified to the Company in writing, or

(iv) if to the Company, to the Company at its address set forth at the beginning hereof to the attention of the Chief Financial Officer with a copy to the Office of General Counsel, or at such other address as the Company shall have specified to the holder of each Note in writing.

Notices under this Section 18 will be deemed given only when actually received.

Notwithstanding anything to the contrary in this Section 18, any communication pursuant to Section 2 shall be made by the method specified for such communication in Section 2, and shall be effective to create any rights or obligations under this Agreement only if, in the case of a telephone communication, an Authorized Officer of the party conveying the information and of the party receiving the information are parties to the telephone call, and in the case of a fax or e-mail communication, the communication is signed by an Authorized Officer of the party conveying the information, addressed to the attention of an Authorized Officer of the party receiving the information, and in fact received, with respect to a fax, at the fax terminal the number of which is listed for the party receiving the communication in the Information Schedule or at such other fax terminal as the party receiving the information shall have specified in writing to the party sending such information, and in the case of an e-mail, at the e-mail address listed for the party receiving the communication in the Information Schedule or at such other email address as the party receiving the information shall have specified in writing to the party sending such information.

19. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at any Closing (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital or other similar process and such Purchaser may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

20. CONFIDENTIAL INFORMATION.

(a) Each Purchaser agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to the extent requested by any regulatory authority, (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (iv) to any other party to this Agreement, (v) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (vi) subject to an agreement containing provisions substantially the same as those of this Section, to (A) any assignee of, or any prospective assignee of, any of its rights or obligations under this Agreement or (B) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Company and its obligations, (vii) with the consent of the Company, (viii) to the extent such Information (A) becomes publicly available other than as a result of a breach of this Section or (B) becomes available to any Purchaser on a nonconfidential basis from a source other than the Company or (ix) to the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser's investment portfolio. For the purposes of this Section, "**Information**" means all information received from the Company relating to the Company or its business, other than any such information that is available to any Purchaser on a nonconfidential basis prior to disclosure by the Company. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. Each of the Purchasers agrees to use reasonable commercial efforts (if it may legally do so) to provide prior notice of any disclosure of Information pursuant to clauses (ii) or (iii) above.

(b) EACH PURCHASER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 20(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE COMPANY AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL, PROVINCIAL, TERRITORIAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE COMPANY OR THE PURCHASERS PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE COMPANY, THE OTHER CREDIT PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH PURCHASER REPRESENTS TO THE COMPANY THAT IT HAS IDENTIFIED IN ITS NOTICE INFORMATION A CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

21. SUBSTITUTION OF PURCHASER.

Each Purchaser shall have the right to substitute any one of its Affiliates or another Purchaser or any one of such other Purchaser's Affiliates (a "Substitute Purchaser") as the purchaser of the Notes that it has agreed to purchase hereunder, by written notice to the Company, which notice shall be signed by both such Purchaser and such Substitute Purchaser, shall contain such Substitute Purchaser's agreement to be bound by this Agreement and shall contain a confirmation by such Substitute Purchaser of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Purchaser in this Agreement (other than in this Section 21), shall be deemed to refer to such Substitute Purchaser in lieu of such original Purchaser. In the event that such Substitute Purchaser is so substituted as a Purchaser hereunder and such Substitute Purchaser thereafter transfers to such original Purchaser all of the Notes then held by such Substitute Purchaser, upon receipt by the Company of notice of such transfer, any reference to such Substitute Purchaser as a "Purchaser" in this Agreement (other than in this Section 21), shall no longer be deemed to refer to such Substitute Purchaser, but shall refer to such original Purchaser, and such original Purchaser shall again have all the rights of an original holder of the Notes under this Agreement.

22. MISCELLANEOUS.

Section 22.1. Successors and Assigns.

All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including, without limitation, any subsequent holder of a Note) whether so expressed or not.

Section 22.2. Accounting Terms.

Except as otherwise expressly provided herein, (i) all terms of an accounting or financial nature shall be construed in accordance with GAAP, (ii) all computations made pursuant to this Agreement shall be made in accordance with GAAP, and (iii) all financial statements shall be prepared in accordance with GAAP. If at any time any change in GAAP would affect the computation of any financial ratio or requirement set forth in any Transaction Document, and either the Company or the Required Holders shall so request, the holders of the Notes and the Company shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Required Holders, not to be unreasonably withheld or delayed); provided, that until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein and (ii) the Company shall provide to the holders of the Notes financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP.

Notwithstanding anything to the contrary contained herein, unless the Company gives notice to the holders of the Notes that the Company has elected to proceed in accordance with the immediately preceding sentence, the definitions of Consolidated Total Debt, Consolidated EBITDA, Consolidated Interest Charges and Indebtedness and all provisions of Section 10 (to the extent such definitions and provisions relate to the accounting for operating leases) shall be calculated, and the Company's compliance with such provisions (to such extent) shall be determined, on the basis of GAAP in effect as of the date of this Agreement, without giving effect to any subsequent changes. For purposes of determining compliance with this Agreement (including, without limitation, Section 9, Section 10 and the definition of "Indebtedness"), any election by the Company to measure any financial liability using fair value (as permitted by Financial Accounting Standards Board Accounting Standards Codification Topic No. 825-10-25 — *Fair Value Option*, International Accounting Standard 39 — *Financial Instruments: Recognition and Measurement* or any similar accounting standard) shall be disregarded and such determination shall be made as if such election had not been made.

Section 22.3. Severability.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

Section 22.4. Construction, Etc.

Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

For the avoidance of doubt, all Schedules and Exhibits attached to this Agreement shall be deemed to be a part hereof.

Section 22.5. Counterparts.

This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

Section 22.6. Governing Law.

This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice of law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

Section 22.7. Jurisdiction and Process; Waiver of Jury Trial.

(a) The Company irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Notes. To the fullest extent permitted by applicable law, the Company irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) The Company consents to process being served by or on behalf of any holder of a Note in any suit, action or proceeding of the nature referred to in Section 22.7(a) by mailing a copy thereof by registered or certified or priority mail, postage prepaid, return receipt requested, to it at its address specified in Section 18 or at such other address of which such holder shall then have been notified pursuant to such Section. The Company agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(c) Nothing in this Section 22.7 shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(d) THE PARTIES HERETO HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH OR THEREWITH.

Section 22.8. Judgment Currency.

Any payment on account of an amount that is payable hereunder in a specified currency (the “**Specified Currency**”) which is made to or for the account of any holder of a Note in lawful currency of any other jurisdiction (the “**Other Currency**”) whether as a result of any judgment or order or the enforcement thereof or the realization of any security or the liquidation of an Issuer shall constitute a discharge of the Company’s obligation under this Agreement only to the extent of the amount of the Specified Currency which such holder could purchase in the London foreign exchange markets with the amount of the Other Currency in accordance with normal banking procedures at the rate of exchange prevailing on the first day (other than a Saturday) on which banks in London are generally open for business following receipt of the payment first referred to above. If the amount of the Specified Currency that could be so purchased is less than the amount of Specified Currency originally due to such holder, the

Company shall indemnify and save harmless such holder from and against all loss or damage arising out of or as a result of such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Agreement, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any holder of a Note from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under any judgment or order.

Section 22.9. Determinations Involving Different Currencies.

In the event of any determination of the requisite percentage or the principal amount of any Notes of more than one currency, all Notes which are issued in a currency other than Dollars shall, for purposes of determining any such percentage or requisite principal amount, be deemed to have been converted into Dollars at the time that such determination is made at the exchange rate published in the Financial Times one Business Day prior to the date of determination.

Section 22.10. Transaction References.

The Company agrees that MetLife and MetLife Affiliates may (a) refer to its role in establishing the Facility, as well as the identity of the Company, the Series A Notes, the Series B Notes and the maximum aggregate principal amount of the Shelf Notes and the date on which the Facility was established, on its internet site or in marketing materials, press releases, published “tombstone” announcements or any other print or electronic medium and (b) display the Company’s corporate logo in conjunction with any such reference.

Section 22.11. Release of Guarantees.

In the event (a) of a disposition of all the Equity Interests in a Subsidiary Guarantor to a Person other than the Company or an Affiliate of the Company in a transaction not prohibited by any covenant contained in this Agreement, (b) of the release of any Subsidiary Guarantor from all Guarantees granted by such Subsidiary Guarantor in connection with the then-existing Material Credit Facilities or (c) that (whether as a result of a release, refinancing or otherwise) the Guarantees granted by all Subsidiary Guarantors with respect to all then-existing Material Credit Facilities have been (or substantially contemporaneously with the release under the Subsidiary Guarantee Agreement will be) released, at the election of the Company and by written notice to each holder of Notes, each such Subsidiary Guarantor shall be discharged from all of its obligations and liabilities under its Subsidiary Guarantee Agreement and shall be automatically released from its obligations thereunder without the need for the execution or delivery of any other document by the holders or any other Person, provided, in each case, that (i) after giving effect to such release no Default or Event of Default shall have occurred and be continuing, (ii) no amount is then due and payable under such Subsidiary Guarantee Agreement, (iii) each holder of Notes shall have received a certificate of a Responsible Officer to the foregoing effect and setting forth the information reasonably required to establish compliance with the foregoing requirements and (iv) to the extent that any fee is paid to lenders under the Material Credit Facility in connection with such Subsidiary Guarantor no longer being a borrower, co-obligor or guarantor, an equivalent fee (based upon the magnitude of the

outstanding Notes compared to the magnitude of such Material Credit Facility) is paid ratably to the holders of the Notes based on the outstanding principal amount thereof. The holders of the Notes shall take such actions and execute such documents as the Company may reasonably request, at the Company's sole expense, to evidence or confirm such release.

If you are in agreement with the foregoing, please sign the form of agreement on a counterpart of this Agreement and return it to the Company, whereupon this Agreement shall become a binding agreement between you and the Company.

Very truly yours,

The Initial Notes, the Shelf Notes and any other Notes that may from time to time be issued pursuant to the Note Agreement (including any notes issued in substitution for any of the Notes) are herein collectively called the “**Notes**” and each individually a “**Note**”.

III. It is a condition to the agreement of the Purchasers to purchase the Notes that this Guaranty Agreement shall have been executed and delivered by each Guarantor and shall be in full force and effect.

IV. Each Guarantor will receive direct and indirect benefits from the financing arrangements contemplated by the Note Agreement, and the incurrence of such obligations is in the best interests of such Guarantor.

NOW THEREFORE, in compliance with the Note Agreement, and in consideration of, the execution and delivery of the Note Agreement and the purchase of the Notes by each of the Purchasers, each Guarantor hereby covenants and agrees with, and represents and warrants to each of the holders as follows:

SECTION 1. GUARANTY.

Each Guarantor hereby irrevocably, unconditionally and jointly and severally with the other Guarantors guarantees to each holder, the due and punctual payment in full of (a) the principal of, Make-Whole Amount, if any, Net Loss, if any, and interest on (including, without limitation, interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding), and any other amounts due under, the Notes when and as the same shall become due and payable (whether at stated maturity or by required or optional prepayment or by acceleration or otherwise) and (b) any other sums which may become due under the terms and provisions of the Notes, the Note Agreement or any other instrument referred to therein (all such obligations described in clauses (a) and (b) above are herein called the “**Guaranteed Obligations**”). The guaranty in the preceding sentence is an absolute, present and continuing guaranty of payment and not of collectibility and is in no way conditional or contingent upon any attempt to collect from the Company or any other guarantor of the Notes (including, without limitation, any other Guarantor hereunder) or upon any other action, occurrence or circumstance whatsoever. In the event that the Company shall fail so to pay any of such Guaranteed Obligations, each Guarantor agrees to pay the same when due to the holders entitled thereto, without demand, presentment, protest or notice of any kind, in the applicable currency of the obligation, pursuant to the requirements for payment specified in the Notes and the Note Agreement. Each default in payment of any of the Guaranteed Obligations shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises. Each Guarantor agrees that the Notes issued in connection with the Note Agreement may (but need not) make reference to this Guaranty Agreement.

Each Guarantor agrees to pay and to indemnify and save each holder harmless from and against any damage, loss, cost or expense (including attorneys’ fees) which such holder may incur or be subject to as a consequence, direct or indirect, of (x) any breach by such Guarantor, by any other Guarantor or by the Company of any warranty, covenant, term or condition in, or the occurrence of any default under, this Guaranty Agreement, the Notes, the Note Agreement or any other instrument referred to therein, together with all expenses resulting from the compromise or defense of any claims or liabilities arising as a result of any such breach or default, (y) any legal action commenced to challenge the validity or enforceability of this Guaranty Agreement, the Notes, the Note Agreement or any other instrument referred to therein and (z) enforcing or defending (or determining whether or how to enforce or defend) the provisions of this Guaranty Agreement.

Each Guarantor hereby acknowledges and agrees that such Guarantor’s liability hereunder is joint and several with the other Guarantors and any other Person(s) who may guarantee the obligations and Indebtedness under and in respect of the Notes and the Note Agreement.

Notwithstanding the foregoing provisions or any other provision of this Guaranty Agreement, the Purchasers (on behalf of themselves and their successors and assigns) and each Guarantor hereby agree that if at any time the Guaranteed Obligations exceed the Maximum Guaranteed Amount determined as of such time with regard to such Guarantor, then this Guaranty Agreement shall be automatically amended to reduce the Guaranteed Obligations to the Maximum Guaranteed Amount. Such amendment shall not require the written consent of any Guarantor or any holder and shall be deemed to have been automatically consented to by each Guarantor and each holder. Each Guarantor agrees that the Guaranteed Obligations may at any time exceed the Maximum Guaranteed Amount without affecting or impairing the obligation of such Guarantor. “**Maximum Guaranteed Amount**” means as of the date of determination with respect to a Guarantor, the lesser of (a) the amount of the Guaranteed Obligations outstanding on such date and (b) the maximum amount that would not render such Guarantor’s liability under this Guaranty Agreement subject to avoidance under Section 548 of the United States Bankruptcy Code (or any successor provision) or any comparable provision of applicable state law.

SECTION 2. OBLIGATIONS ABSOLUTE.

The obligations of each Guarantor hereunder shall be primary, absolute, irrevocable and unconditional, irrespective of the validity or enforceability of the Notes, the Note Agreement or any other instrument referred to therein, shall not be subject to any counterclaim, setoff, deduction or defense based upon any claim such Guarantor may have against the Company or any holder or otherwise, and shall remain in full force and effect without regard to, and shall not be released, discharged or in any way affected by, any circumstance or condition whatsoever (whether or not such Guarantor shall have any knowledge or notice thereof), including, without limitation: (a) any amendment to, modification of, supplement to or restatement of the Notes, the Note Agreement or any other instrument referred to therein (it being agreed that the obligations of each Guarantor hereunder shall apply to the Notes, the Note Agreement or any such other instrument as so amended, modified, supplemented or restated) or any assignment or transfer of any thereof or of any interest therein, or any furnishing, acceptance or release of any security for the Notes or the addition, substitution or release of any other Guarantor or any other entity or other Person primarily or secondarily liable in respect of the Guaranteed Obligations; (b) any waiver, consent, extension, indulgence or other action or inaction under or in respect of the Notes, the Note Agreement or any other instrument referred to therein; (c) any bankruptcy, insolvency, arrangement, reorganization, readjustment, composition, liquidation or similar proceeding with respect to the Company or its property; (d) any merger, amalgamation or consolidation of any Guarantor or of the Company into or with any other Person or any sale, lease or transfer of any or all of the assets of any Guarantor or of the Company to any Person; (e) any failure on the part of the Company for any reason to comply with or perform any of the terms of any other agreement with any Guarantor; (f) any failure on the part of any holder to obtain, maintain, register or otherwise perfect any security; or (g) any other event or circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (whether or not similar to the foregoing), and in any event however material or prejudicial it may be to any Guarantor or to any subrogation, contribution or

reimbursement rights any Guarantor may otherwise have. Each Guarantor covenants that its obligations hereunder will not be discharged except by indefeasible payment in full in cash of all of the Guaranteed Obligations and all other obligations hereunder.

SECTION 3. WAIVER.

Each Guarantor unconditionally waives to the fullest extent permitted by law, (a) notice of acceptance hereof, of any action taken or omitted in reliance hereon and of any default by the Company in the payment of any amounts due under the Notes, the Note Agreement or any other instrument referred to therein, and of any of the matters referred to in Section 2 hereof, (b) all notices which may be required by statute, rule of law or otherwise to preserve any of the rights of any holder against such Guarantor, including, without limitation, presentment to or demand for payment from the Company or any Guarantor with respect to any Note, notice to the Company or to any Guarantor of default or protest for nonpayment or dishonor and the filing of claims with a court in the event of the bankruptcy of the Company, (c) any right to require any holder to enforce, assert or exercise any right, power or remedy including, without limitation, any right, power or remedy conferred in the Note Agreement or the Notes, (d) any requirement for diligence on the part of any holder and (e) any other act or omission or thing or delay in doing any other act or thing which might in any manner or to any extent vary the risk of such Guarantor or otherwise operate as a discharge of such Guarantor or in any manner lessen the obligations of such Guarantor hereunder.

SECTION 4. OBLIGATIONS UNIMPAIRED.

Each Guarantor authorizes the holders, without notice or demand to such Guarantor or any other Guarantor and without affecting its obligations hereunder, from time to time: (a) to renew, compromise, extend, accelerate or otherwise change the time for payment of, all or any part of the Notes, the Note Agreement or any other instrument referred to therein; (b) to change any of the representations, covenants, events of default or any other terms or conditions of or pertaining to the Notes, the Note Agreement or any other instrument referred to therein, including, without limitation, decreases or increases in amounts of principal, rates of interest, the Make-Whole Amount or any other obligation; (c) to take and hold security for the payment of the Notes, the Note Agreement or any other instrument referred to therein, for the performance of this Guaranty Agreement or otherwise for the Indebtedness guaranteed hereby and to exchange, enforce, waive, subordinate and release any such security; (d) to apply any such security and to direct the order or manner of sale thereof as the holders in their sole discretion may determine; (e) to obtain additional or substitute endorsers or guarantors or release any other Guarantor or any other Person or entity primarily or secondarily liable in respect of the Guaranteed Obligations; (f) to exercise or refrain from exercising any rights against the Company, any Guarantor or any other Person; and (g) to apply any sums, by whomsoever paid or however realized, to the payment of the Guaranteed Obligations and all other obligations owed hereunder. The holders shall have no obligation to proceed against any additional or substitute endorsers or guarantors or to pursue or exhaust any security provided by the Company, such Guarantor or any other Guarantor or any other Person or to pursue any other remedy available to the holders.

If an event permitting the acceleration of the maturity of the principal amount of any Notes shall exist and such acceleration shall at such time be prevented or the right of any holder to receive any payment on account of the Guaranteed Obligations shall at such time be delayed or otherwise affected by reason of the pendency against the Company, any Guarantor or any other guarantors of a case or proceeding under a bankruptcy or insolvency law, such Guarantor agrees that, for purposes of this Guaranty Agreement and its obligations hereunder, the maturity of such principal amount shall be deemed to have been accelerated with the same effect as if the holder thereof had accelerated the same in accordance with the terms of the Note Agreement, and such Guarantor shall forthwith pay such accelerated Guaranteed Obligations.

SECTION 5. SUBROGATION AND SUBORDINATION.

(a) Each Guarantor will not exercise any rights which it may have acquired by way of subrogation under this Guaranty Agreement, by any payment made hereunder or otherwise, or accept any payment on account of such subrogation rights, or any rights of reimbursement, contribution or indemnity or any rights or recourse to any security for the Notes or this Guaranty Agreement unless and until all of the Guaranteed Obligations shall have been indefeasibly paid in full in cash.

(b) Each Guarantor hereby subordinates the payment of all Indebtedness and other obligations of the Company or any other guarantor of the Guaranteed Obligations owing to such Guarantor, whether now existing or hereafter arising, including, without limitation, all rights and claims described in clause (a) of this Section 5, to the indefeasible payment in full in cash of all of the Guaranteed Obligations. If the Required Holders so request, any such Indebtedness or other obligations shall be enforced and performance received by such Guarantor as trustee for the holders and the proceeds thereof shall be paid over to the holders promptly, in the form received (together with any necessary endorsements) to be applied to the Guaranteed Obligations, whether matured or unmatured, as may be directed by the Required Holders, but without reducing or affecting in any manner the liability of any Guarantor under this Guaranty Agreement.

(c) If any amount or other payment is made to or accepted by any Guarantor in violation of any of the preceding clauses (a) and (b) of this Section 5, such amount shall be deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the holders and shall be paid over to the holders promptly, in the form received (together with any necessary endorsements) to be applied to the Guaranteed Obligations, whether matured or unmatured, as may be directed by the Required Holders, but without reducing or affecting in any manner the liability of such Guarantor under this Guaranty Agreement.

(d) Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by the Note Agreement and that its agreements set forth in this Guaranty Agreement (including this Section 5) are knowingly made in contemplation of such benefits.

(e) Each Guarantor hereby agrees that, to the extent that a Guarantor shall have paid an amount hereunder to any holder that is greater than the net value of the benefits received, directly or indirectly, by such paying Guarantor as a result of the issuance and sale of the Notes (such net value, its “**Proportionate Share**”), such paying Guarantor shall, subject to Section 5(a) and 5(b), be entitled to contribution from any Guarantor that has not paid its Proportionate Share of the Guaranteed Obligations. Any amount payable as a contribution under this Section 5(e) shall be determined as of the date on which the related payment is made by such Guarantor seeking contribution and each Guarantor acknowledges that the right to contribution hereunder shall constitute an asset of such Guarantor to which such contribution is owed. Notwithstanding the foregoing, the provisions of this Section 5(e) shall in no respect limit the obligations and liabilities of any Guarantor to the holders of the Notes hereunder or under the Notes, the Note Agreement or any other document, instrument or agreement executed in connection therewith, and each Guarantor shall remain jointly and severally liable for the full payment and performance of the Guaranteed Obligations.

SECTION 6. REINSTATEMENT OF GUARANTY.

This Guaranty Agreement shall continue to be effective, or be reinstated, as the case may be, if and to the extent at any time payment, in whole or in part, of any of the sums due to any holder on account of the Guaranteed Obligations is rescinded or must otherwise be restored or returned by a holder upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Company or any other guarantors, or upon or as a result of the appointment of a custodian, receiver, trustee or other officer with similar powers with respect to the Company or any other guarantors or any part of its or their property, or otherwise, all as though such payments had not been made.

SECTION 7. [INTENTIONALLY OMITTED.]

SECTION 8. COVENANTS OF EACH GUARANTOR.

Each Guarantor hereby covenants and agrees that, so long as any part of the Guaranteed Obligations shall remain outstanding, such Guarantor will perform and observe, and cause each of its Subsidiaries to perform and observe, all of the terms, covenants and agreements set forth in the Note Agreement on its or their part to be performed or observed or that the Company has agreed to cause such Guarantor or such Subsidiaries to perform or observe.

SECTION 9. REPRESENTATIONS AND WARRANTIES OF EACH GUARANTOR.

Each Guarantor hereby represents and warrants to each holder that each of the representations and warranties made by the Company as to its Subsidiaries or the Credit Parties in respect of such Guarantor in the Note Agreement is true and correct as to such Guarantor. Each Guarantor further represents and warrants to each holder as follows:

SECTION 9.1. AUTHORIZATION, ETC. This Guaranty Agreement has been duly authorized by all necessary corporate action on the part of such Guarantor, and this Guaranty Agreement constitutes a legal, valid and binding obligation of such Guarantor enforceable against such Guarantor in accordance with its terms, except as such enforceability may be limited by (a) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (b) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

SECTION 9.2. SOLVENCY. Upon the execution and delivery hereof, such Guarantor will be solvent, will be able to pay its debts as they mature, and will have capital sufficient to carry on its business.

SECTION 10. TERM OF GUARANTY AGREEMENT.

This Guaranty Agreement and all guarantees, covenants and agreements of the Guarantors contained herein shall continue in full force and effect and shall not be discharged until such time as (i) all of the Guaranteed Obligations and all other obligations hereunder shall be indefeasibly paid in full in cash and (ii) the Issuance Period has expired, and shall be subject to reinstatement pursuant to Section 6. For avoidance of doubt, the discharge or release of any Guarantor under Section 22.11 of the Note Agreement does not discharge or release any other Guarantors that have not satisfied the conditions of that section unless this Section 10 shall have been fully satisfied.

SECTION 11. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Guaranty Agreement and may be relied upon by any subsequent holder, regardless of any investigation made at any time by or on behalf of any Purchaser or any other holder. All statements contained in any certificate or other instrument delivered by or on behalf of a Guarantor pursuant to this Guaranty Agreement shall be deemed representations and warranties of such Guarantor under this Guaranty Agreement. Subject to the preceding sentence, this Guaranty Agreement embodies the entire agreement and understanding between each holder and the Guarantors and supersedes all prior agreements and understandings relating to the subject matter hereof.

SECTION 12. AMENDMENT AND WAIVER.

SECTION 12.1. REQUIREMENTS. Except as otherwise provided in the fourth paragraph of Section 1 of this Guaranty Agreement, this Guaranty Agreement may be amended, and the observance of any term hereof may be waived (either retroactively or prospectively), with (and only with) the written consent of each Guarantor and the Required Holders, except that no amendment or waiver (a) of any of the first three paragraphs of Section 1 or any of the provisions of Sections 2, 3, 4, 5, 6, 10 or 12 hereof, or any defined term (as it is used therein), or (b) which results in the limitation of the liability of any Guarantor hereunder (except to the extent provided in the fourth paragraph of Section 1 of this Guaranty Agreement) will be effective as to any holder unless consented to by such holder in writing.

SECTION 12.2. SOLICITATION OF HOLDERS OF NOTES.

(a) *Solicitation.* Each Guarantor will provide each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof. Each Guarantor will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 12.2 to each holder promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) *Payment.* The Guarantors will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder as consideration for or as an inducement to the entering into by any holder of any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder even if such holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent made pursuant to this Section 12 by a holder that has transferred or has agreed to transfer its Notes to the Company, any Subsidiary or any Affiliate (including any Guarantor) of the Company and has provided or has agreed to provide such written consent as a condition to such transfer shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

SECTION 12.3. BINDING EFFECT. Any amendment or waiver consented to as provided in this Section 12 applies equally to all holders and is binding upon them and upon each future holder and upon each Guarantor without regard to whether any Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant or agreement not expressly amended or waived or impair any right consequent thereon. No course of dealing between a Guarantor and the holder nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any holder. As used herein, the term “**this Guaranty Agreement**” and references thereto shall mean this Guaranty Agreement as it may be amended, modified, supplemented or restated from time to time.

SECTION 12.4. NOTES HELD BY COMPANY, ETC. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Guaranty Agreement, or have directed the taking of any action provided herein to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by any Guarantor, the Company or any of their respective Affiliates shall be deemed not to be outstanding.

SECTION 13. NOTICES.

All notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid), or (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by a recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

(a) if to any Guarantor, to such address as such Guarantor shall have specified to the holders in writing, or

(b) if to any holder, to such holder at the addresses specified for such communications set forth in Schedule A to the Note Agreement, or such other address as such holder shall have specified to the Guarantors in writing.

SECTION 14. MISCELLANEOUS.

SECTION 14.1. SUCCESSORS AND ASSIGNS; JOINDER. All covenants and other agreements contained in this Guaranty Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns whether so expressed or not. It is agreed and understood that any Person may become a Guarantor hereunder by executing a Guarantor Supplement substantially in the form of Exhibit A attached hereto and delivering the same to the Holders. Any such Person shall thereafter be a “Guarantor” for all purposes under this Guaranty Agreement.

SECTION 14.2. SEVERABILITY. Any provision of this Guaranty Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law), not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 14.3. CONSTRUCTION. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such express contrary provision) be deemed to excuse compliance with any other covenant. Whether any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

The section and subsection headings in this Guaranty Agreement are for convenience of reference only and shall neither be deemed to be a part of this Guaranty Agreement nor modify, define, expand or limit any of the terms or provisions hereof. All references herein to numbered sections, unless otherwise indicated, are to sections of this Guaranty Agreement. Words and definitions in the singular shall be read and construed as though in the plural and *vice versa*, and words in the masculine, neuter or feminine gender shall be read and construed as though in either of the other genders where the context so requires.

SECTION 14.4. FURTHER ASSURANCES. Each Guarantor agrees to execute and deliver all such instruments and take all such action as the Required Holders may from time to time reasonably request in order to effectuate fully the purposes of this Guaranty Agreement.

SECTION 14.5. GOVERNING LAW. This Guaranty Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York, excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

SECTION 14.6. JURISDICTION AND PROCESS; WAIVER OF JURY TRIAL.

(a) Each Guarantor irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Guaranty Agreement. To the fullest extent permitted by applicable law, each Guarantor irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) Each Guarantor consents to process being served by or on behalf of any holder in any suit, action or proceeding of the nature referred to in Section 14.6(a) by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, return receipt requested, to it at its address specified in Section 13 or at such other address of which such holder shall then have been notified pursuant to Section 13. Each Guarantor agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(c) Nothing in this Section 14.6 shall affect the right of any holder to serve process in any manner permitted by law, or limit any right that the holders may have to bring proceedings against any Guarantor in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(d) THE GUARANTORS AND THE HOLDERS HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS GUARANTY AGREEMENT OR OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH.

SECTION 14.7. OBLIGATION TO MAKE PAYMENT IN APPLICABLE CURRENCY. Any payment on account of an amount that is payable hereunder in a specified currency (the “**Specified Currency**”) which is made to or for the account of any holder in lawful currency of any other jurisdiction (the “**Other Currency**”), whether as a result of any judgment or order or the enforcement thereof or the realization of any security or the liquidation of any Guarantor, shall constitute a discharge of the obligation of such Guarantor under this Guaranty Agreement only to the extent of the amount of Specified Currency which such holder could purchase in the London foreign exchange markets with the amount of the Other Currency in accordance with normal banking procedures at the rate of exchange prevailing on the first day (other than a Saturday) on which banks in London are generally open for business following receipt of the payment first referred to above. If the amount of the Specified Currency that could be so purchased is less than the amount of Specified Currency originally due to such holder, such Guarantor agrees to the fullest extent permitted by law, to indemnify and save harmless such holder from and against all loss or damage arising out of or as a result of such deficiency. This indemnity shall, to the fullest extent permitted by law, constitute an obligation separate and independent from the other obligations contained in this Guaranty Agreement, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by such holder from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under any judgment or order.

SECTION 14.8. REPRODUCTION OF DOCUMENTS; EXECUTION. This Guaranty Agreement may be reproduced by any holder by any photographic, photostatic, electronic, digital or other similar process and such holder may destroy any original document so reproduced. Each Guarantor agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such holder in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 14.8 shall not prohibit any Guarantor or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction. A facsimile or electronic transmission of the signature page of a Guarantor shall be as effective as delivery of a manually executed counterpart hereof and shall be admissible into evidence for all purposes.
