

IDEXX Reference Laboratories

Lung pathology consultants

Alba Maria M. Shank, DVM, MS, DACVP

Assistant Manager, East Region; Anatomic Pathologist

Area(s) of interest: eye pathology, reproductive pathology, diseases of small and large ruminants and camelids

Dr. Shank was born in Charlottesville, Virginia, and completed her DVM and MS degrees at the Virginia-Maryland College of Veterinary Medicine in Blacksburg, Virginia. She completed a veterinary anatomic pathology residency at the University of Kentucky Veterinary Diagnostic Laboratory in 2009. In 2010 she moved to Madison, Wisconsin, to work at the University of Wisconsin Veterinary Diagnostic Laboratory and became a board-certified veterinary anatomic pathologist in September 2011. She joined the IDEXX team at the North Grafton, Massachusetts, laboratory in February 2012 and was promoted to an assistant manager position (east region) in June 2014. Nonpathology interests include gardening, canning, knitting, farming, hiking, camping, general outdoorsy stuff, and playing in the dirt with her three children and husband.
