IDEXX Cornerstone®, IDEXX Neo, IDEXX ezyVet, AVImark®, Gingr, Chameleon Software (HLP, Inc.), ClieTrax, ImproMed® Infinity, IntraVet® (Webster Veterinary), Kennel Link™, Kennel Connection (Blue Crystal Software), K9 Coordinator (K9 Bytes®), KennelSoft (Atlantis), Paw Partner, Pawloyalty, PetExec, PetLinX (Software Revolutions), PetTech Pro, and Shelter Pro.

Sympathy Card Inserts

SYMINS2

25 inserts (5" x 7")—\$24.99

Front: "I'm not there with you today but know that I haven't gone astray. I am the wind blowing through your hair and the warmth you feel in the air. When that smile creeps on your face, remember that I am in a good place. And when you're feeling sad and down, recall memories of me running around. You don't need to look low and high, just search way deep inside, and know that we'll never be apart for I have left my paw prints on your heart."

SYMINS1

25 inserts (5" x 7")—\$24.99

Front: Rainbow Bridge poem; When a beloved pet dies, it goes to the Rainbow Bridge. It makes friends with other animals and frolics over rolling hills and peaceful, lush meadows of green. Our pets do not thirst or hunger. The old and sick are made young once more; the maimed and the ill become healed and strong. They are as healthy and playful as we remember them in days gone by. Though happy and content, they still miss someone very special, someone they had in their hearts. Together, the animals chase and play, but the day comes when a pet will suddenly stop and look into the distance...Bright eyes intent, eager body quivering. Suddenly recognizing you, your pet bounds quickly across the green fields and into your embrace. You celebrate in joyous reunion. You will never again separate....
